Our world has never seemed more unstable and the future so uncertain.

In an increasingly difficult economic and social climate, every challenge in life gives us an opportunity to draw near to God and be transformed by His grace.

On this incredible weekend adventure, we'll come together as brothers, take stock of our lives and sharpen each other. This is a time to be empowered to face challenges in our businesses and families. Our speakers will teach us to be transformed through Christ so that we not only survive, but THRIVE!

Please join over 300 men from across the Valley on August 19-21 at beautiful, cool, Lost Canyon Ranch in Williams, Arizona.
